What I can do:

- ✓ User Research
- ✓ User stories
- ✓ Comp. Analysis
- ✓ User testing
- ✓ Personas
- ✓ Sketching
- ✓ IA/ Sitemaps
- ✓ Wireframes
- ✓ User flows & user journeys
- ✓ Workshop facilitation

Tools I use:

- Axure
- Omniplan
- Sketch
- Basecamp
- Keynote
- JIRA
- InVision
- Trello

Where I've worked:

UX Consultant

SQUIZ, June 2015 -

Worked on a number of Strategy & UX projects delivering personas, user journeys and wireframes. Facilitated and ran UX workshops and acted as consultant advising clients on UX best practices. Contributed to sales proposals and was involved in creating and improving processes within strategy team. Worked closely with UI designers and developers to deliver solutions to clients.

Examples of work include:

- EU referendum microsite
- Electoral Commission postcode lookup widget
- Premier Holidays Strategy piece
- Channel Islands direct website
- Mabey website
- The Flying Pig consultancy

Senior Project Manager

SQUIZ, Merchant Cantos, SMRS, Emperor Design, 2011 - 2015

Delivered a number of digital projects from start to finish. Responsible for delivery of programme reports to clients on biggest accounts. Introduced team daily stand ups and involved in improving working and delivery processes. Ran PM bootcamps with new team members.

Where I studied:

GENERAL ASSEMBLY, London March - May 2015

UX Design Immersive Course

UNIVERSITY OF VIENNA, Vienna
2007 - 2010

BA in Intercultural Communication

Things I enjoy:
